## Newsletter and Charts

### for Friday the 5<sup>th</sup> of March 2004

*The factual information provided in this document should be employed on a hypothetical basis, in real time, until satisfactory results of statistical significance are achieved.*

#### Disclaimer

This report is prepared by Alan Hull an authorised representative of Gryphon Learning, holder of Australian Financial Services Licence No. 246606 and registered training organisation provider No. 21327. It is published in good faith based on the facts known at the time of preparation and does not purport to contain all relevant information in respect of the securities to which it relates (Securities).

Alan Hull has prepared this report for multiple distribution and without consideration to the investment objectives, financial situation or particular needs (Objectives) of any individual investor. Accordingly, any advice given is not a recommendation that a particular course of action is suitable for any particular person and is not suitable to be acted on as investment advice. Readers must assess whether the advice is appropriate to their Objectives before making an investment decision on the basis of this report.

Neither Gryphon Learning Pty Ltd nor Alan Hull warrant or represent the accuracy of the contents of the report. Any persons relying on the information do so at their own risk. Except to the extent that liability under any law cannot be excluded, Gryphon Learning Pty Ltd and Alan Hull disclaim liability for all loss or damage arising as a result of an opinion, advice, recommendation, representation or information expressly or impliedly published in or in relation to this report notwithstanding any error or omission including negligence.

None of Gryphon Learning, its Authorised Representatives, the “Gryphon System”, “Gryphon MultiMedia”, and “Gryphon Scanner” take into account the investment objectives, financial situation and particular needs of any particular person and before making an investment decision on the basis of the “Gryphon System”, “Gryphon MultiMedia” and “Gryphon Scanner” or any of its authorised representatives, a prospective investor needs to consider with or without the assistance of a securities adviser, whether the advice is appropriate in the light of the particular investment needs, objectives and financial circumstances of the prospective investor.
